Ghaziabad, Uttar Pradesh

Objective

Working with a progressive organization which can provide me with a dynamic work sphere to extract my professional skills and utilize my professional skill for providing better results and obtain a challenging and satisfying position.

Project

- ♦ Weather Application

Developed a Weather Application that provides real-time weather forecasts and updates to users. The application utilized various technologies and APIs to gather accurate weather data and present it in a user-friendly interface.

- ♦ PPE kit Violation Detection

Currently working on the development of a PPE (Personal Protective Equipment) Kit Violation Detection system as a part of my academic or personal project. The aim of this project is to enhance workplace safety by implementing real-time detection mechanisms for instances where individuals fail to adhere to prescribed safety protocols, particularly in environments mandating the use of Personal Protective Equipment (PPE).

Skills

C, C++, OOPS, Data Structure,HTML,CSS,Javascript,SQL,Java

Certificates

- ♦ Certified in Core Java by ABES IT.
- ♦ Certified in SQL by Hacker Rank.

Achievements

- ♦ Achieved certificate on Problem Solving (basic) skill by Hacker Rank.
- ♦ Achieved certificate on IOT by NPTEL.

Complementary Skills

- ♦ Good Communication Skill
- ♦ Time Management
- ♦ Teamwork
